DECUSSATA

1963

First Edition
Andrean High School
Gary, Indiana

The Senior Class is proud to present the first edition of the DECUSSATA (DA COO SA TA). Throughout the past four years, the class of '63 has become accustomed to initiating traditions -- doing, seeing, and being first. For this reason, "Premiere" has been selected as this year's DECUSSATA theme. It is Andrean's first showing, and first bow, after an unforgettable four-year performance.

The name of the yearbook and the colors of the cover are related to St. Andrew, the Apostle. The red symbolizes his martyrdom, and the gold represents his victory. It is thought that St. Andrew was martyred on an X-shaped cross known as "crux decussata". In fact, the name "Andrean" itself is taken from that of St. Andrew, patron saint of Bishop Grutka.

Dedication

The Most Reverend Andrew G. Grutka, D.D.

The good man from the good treasure of his heart brings forth that which is good. . . ." (Luke 6, 45). Andrean High was realized through the faith, foresight, and guidance of one such good man, Bishop Andrew G. Grutka. Under his able direction, the resources of the diocese were united in a great spirit of sacrifice to establish the first Catholic high school in the city of Gary. In grateful appreciation for this opportunity to obtain a Catholic education, we, the members of the senior class, dedicate our first yearbook to His Excellency, Bishop Grutka.

Andrean High, the first Catholic high school in the city of Gary, began its history on September 14, 1959, with 331 freshmen enrolled. This school, hoped for by the people of Gary for many years, and sacrificed for during the fund raising campaign begun in 1956, was established by the Most Reverend Andrew G. Grutka, bishop of Gary, as a co-institutional school.

A co-institutional school is one in which boys and girls are taught in separate classes by a dual faculty under a single administration. As such a school, Andrean has one principal, Father John Burke, C.S.B., and two assistant principals, Father Robert O'Halloran, C.S.B., for the boys and Sister Rose Mary, SS.C.M., for the girls. The Basilian Fathers of Toronto, Canada, and lay men teach the boys; the Sisters of Saints Cyril and Methodius, from Danville, Pennsylvania, and lay women teach the girls. Most of the classrooms are located in two areas, the boys' wing and the girls' wing, but all students use the same library and cafeteria facilities.

Andrean's curricular offerings are divided into two major areas, the college preparatory program and the non-college program with majors in business and homemaking.

Besides the atmosphere of a Catholic school, Andrean offers its students opportunities for spiritual growth in the annual three-day retreat, the First Friday Mass, daily Mass, availability of confessors, and accessibility of two chapels.

Despite the fact that the boys and girls are taught in separate classes, they take part in many social and extra-curricular activities through the various clubs and activities which have grown up during these four years.

Every aspect of Andrean's activities--educational, spiritual, social, physical--flows from the basic philosophy of the school, the formation of "the true Christian. . .the supernatural man who thinks, judges and acts consistently in accordance with right reason illumined by the supernatural light of the example and teaching of Christ; in other words. . .the true and finished man of character." (Pius XI)

FATHER WILLIAM J. DUGGAN, CSB,
First Principal.

It was that wonderful year. . . Latest trends in schools called for completely new concepts in design. Cafeteria. . . out of style. . . doors, offices, lockers, libraries and tile floors were simply non-existent. . . Yes, cow bells were stand-ins for IBM clock systems. . . males inhabited the girls' corridor, with only a Mason-Dixon line between them. . . our first dance was held in the commercial rooms. . . separate buses were the vogue. . . the priests tramped across the fields to school and the Sisters hot-rodded in from Dyer in just twenty minutes. . . All these events and many more helped to make freshman year unforgettable.

1960-1961

Sophomore year, like freshman year, had its ups and downs. . . Upon our return in September we became increasingly aware that something new had been added. . . Yes, freshmen were a fad that year and have been ever since. . . Father Duggan, who was sent to Texas was replaced by Father Burke, our present principal. . . Basketball was a new sport that year and football was much improved. . . The traditional Armageddon Games were inaugurated and the class of '63 won the coveted Golden Jug. . . thus ended Andrean's second year. . . 1960-1961.

Annette Le Claire and Terry Smith, Student Council officers, accept the first Armageddon jug for the class of '63.

Faculty members relax after their victory in the faculty-student basketball game.

Participants in the Andrean Oratoricals for 1962, H. De La Mora, C. Yudit, R. Banchansky, D. Boyle, C. O'Connor with Fr. Lee, Moderator.

SIDE: Jack Rogers lights the torch beginning the 1962 Armageddon Games.

As a football team we knocked off 7 out of 10. . .with Dale Marino heading the city scoring list. . .new sports included wrestling and swimming. . ."Cyrano de Bergerac" was produced as a combined effort by sophomores and juniors. . .Fine Arts Day was a newly added event and a unique one in the Gary area. . .Junior Nite was a night to remember, when a lot of Andrean talent was discovered. . .the biggest social event of the year was our first semi-formal, Twilight Time, which climaxed another wonderful year . . 1962.

BELOW: Students present a scene from "Cyrano de Bergerac" for the Fine Arts Day.

SIDE: P. Pequet, M. Daugherty, E. Laskowski, H. De La Mora, newly-elected Council officers, relax at the spring semi-formal, Twilight Time.

FACULTY

As leaders during the initial four year journey through Andean High, the entire faculty has furnished guidance and direction for the students. They have sought always.

To cultivate in each student a Christ-like character,
To point out the way of learning,
To plant the seeds of maturity and wisdom.

Principal

Reverend John A. Burke, C.S.B.

My dear Seniors,

With your graduation, the word PIONEER drops from the Andrean vocabulary. The first chapter of what, I pray, will be a long and glorious story comes to an end.

Each class that follows will write another chapter of that story. Future chapters may record deeds far more spectacular than yours. They may tell of more militant leaders, more illustrious scholars, more stellar athletes, but none will ever glow with the warm, touching confidence that permeates yours. For you trusted Andrean when, materially speaking, there was little to inspire your confidence. It will be to your everlasting credit that, in those incipient days, you knew only that Andrean represented the solid tradition of Catholic education which you could find nowhere else. On this you anchored your future though your alma mater had neither roof nor walls. This trust of yours will always be an inspiration!

I feel a part of this class as I shall of no other. I have been with you from the beginning. I have come to know you so well . . . your strengths, your weaknesses, your hopes, your disappointments, your star-reaching arms, your mudclogged feet. I shall never feel so close to another class.

So, as you leave Andrean, a part of my heart leaves with you; I hope a part of yours remains behind.

May God bless you; may He smooth the way that lies ahead.

ACTIVITIES

As builders of tradition, the students of Andrean High have cooperated with the administration to produce activities which aim,

To develop fully the unique talents of each student,
To allow students to participate in new and varied experiences,
To complement and further classroom studies.

Student Council

OFFICERS: E. Laskowski, Vice-President; P. Pequet, President; H. De La Mora, Treasurer; M. Dougherty, Secretary.

"But everyone else has a Directory!!!"

Since its beginning in 1959, the Andean Student Council has been a "clearinghouse" for co-ordinating activities within the school. Its efforts have always been directed toward the development of Andean students as Christian ladies and gentlemen, and the promotion of a closer harmony between faculty and students.

Throughout the last year, Council projects have ranged from publication of a Student Directory to the organization of a school-wide Mardi Gras. Dances sponsored by the Council in 1962-1963 included the Victory Ball and the Christmas Fantasy. In response to student wishes, they initiated an after school snack bar and sponsored weekly ice-skating parties.

R. Kunske gives one of his many speeches at a Senate meeting of the Council.

Flahiff, C.S.B., Archbishop of Winnipeg, because he is an outstanding example of the qualities of scholarship, character, leadership, and service - qualities which should be possessed by members of the Society.

Library Assistants

The Catholic Association of Student Library Assistants (CASLA) was established to help provide increased and improved library service in the school. Under the guidance of Sister Emma, club members take care of all the non-professional library tasks-circulating, shelving, filing, and stamping books. Most of this work is done in the library after school or during the students free periods. Through membership in the club students learn library rules and regulations, acquire an interest in books and people, and attend conventions in the area.

Library assistants, M. Sohovich, L. Ferguson, K. Lasko, M. Kovesci, and B. Mesterharm, repair and classify material for circulation to the students.

Our Lady of Good Council Sodality

Our Lady of Good Council Sodality offers its members a Way of Life, one designed to foster personal sanctification and to promote apostolic labors. To help accomplish these aims the Sodality sponsors projects such as a Thanksgiving food drive, Days of Recollection and the presentation of a play at Easter time. The members also participate in charitable and social events, including a Christmas card sale and skating party.

To give students training in responsibility and leadership, to foster an interest in journalism, and to provide a useful outlet for writing talent are the purposes of Andrean's school newspaper THE ACROPOLIS. Students gain experience in all phases of putting out the paper. interviewing, reporting, writing, editing, and layout. They also have the opportunity to attend and participate in journalism meetings and conventions.

The history of THE ACROPOLIS dates back to 1959, the first year of Andrean's establishment. A staff of freshmen under the direction of Sister Alice produced a four-page mimeographed copy. The paper is now printed and distributed seven times a year by the Journalism Class and the ACROPOLIS staff.

Fine Arts Day

Originating in 1961, as the culmination of a summer reading program, the Fine Arts Day was an attempt made by Sister Miriam Michael and participants in the program to further interest in the arts among Andrean students. Because of its success in the previous year, the Fine Arts Day was again held, with "Fine Arts and the Modern Youth" as its theme. Informal talks on literature, art, and music, given by prominent speakers, plus a scene from *TO KILL A MOCKINGBIRD*, presented by the Drama Club under direction of Fr. McKinnon, highlighted the day's program.

S. Frederick, chairman of the Fine Arts Day Committee, chats with Sister Alice, one of the originators of the Day, and Miss Eva Sedlak, a speaker.

Future Scientists of America

Although this was the first year Andrean's Chapter of the F.S.A. was in operation, the members lost no time in sparking activities. Under the direction of Mr. Daniel J. Dyman the Club elected officers and drafted a constitution. The purpose of the Club is to incorporate the various science clubs into one unit. Students interested in the fields of biology, chemistry, and physics are encouraged to work on various projects. All projects are then entered in the annual Science Fair held in the spring.

F.S.A. OFFICERS: I. Ganas, Secretary; L. Regal, Vice-President; O. Burley, Treasurer; R. Yaros, President.

Chemistry Club

Members of the Chemistry Club meet after school to try new and different experiments. T. Stephan, R. Larkin, I. Ganas, J. Kielman, M. Saxton, Fr. Burns, Moderator; C. Thurn, L. Regal, P. Stevenson, O. Burley, A. Menzie, J. Mirro, D. Boyle, R. Yaros.

Future Homemakers of America

Mrs. Kaprak manages to keep her smile through a hectic evening of work.

Dianne Kaprak and Barb Spicer, Andean F. H. A. officers, pose with district officers at fall District meeting.

Strictly for women is the F.H.A. initiated at Andean in February, 1961. The purpose of the organization, in the field of homemaking, is to help individuals improve personal, family, and community life.

This year the Chapter had the privilege of playing host to a fall District Meeting. Some other projects included distributing Christmas stockings to orphans and making seasonal favors for the old folks' homes. A Christmas Party, Mother and Daughter Tea, Daddy-Date Night, and a spring style show in which the "models" displayed their dressmaking ability, were among the social events sponsored by the group.

Mrs. Kalousek finds receptive ears for her speech on Democracy at the Mother-Daughter Tea.

Parents Club

The parents enjoy some coffee and conversation after a Parents Club meeting.

The Andean Parents Club, organized in 1960, has a twofold purpose: to enable parents to get to know each other better; and to offer assistance to the administration for improving school facilities. Last year's social events raised funds for draperies for the cafeteria and several classrooms. This year, the proceeds of the style show and card party, the cabaret dances, and the Sports Night, enabled the Club to completely outfit the stage with curtains, lights and sound equipment.

Band

MR. CRUZ VELASCO
Director of the Band

Since its founding, Andean High School has endeavored to develop, often very successfully, its own distinctive tradition in the arts. Adding to and continuing in this fine tradition is the Music Department, comprised of instrumental and vocal groups. Besides maintaining a high standard, this department realizes the important role it plays in the formation of the attitudes of the student body toward the fine arts in general and music in particular. Today, more than ever, people are beginning to see the importance of music in the whole man. They are beginning to see the fine art of music as a part of the development of man as an artist. It is the purpose of the Andean Music Department to help develop its members into artists who will sing, in their own musical way, the praises of creation.

Drama Club

The Drama Club, under the direction of Father Robert McKinnon, has pledged itself to providing wholesome and enjoyable entertainment. Its first presentation, given at the second annual Fine Arts Day, an excerpt from Harper Lee's *TO KILL A MOCKINGBIRD*, was a promise of greater things to come. The Club's first major production, Thornton Wilder's *OUR TOWN*, displayed Andrean's theatrical talent. To climax the year's endeavors, the members captivated their audiences with Meredith Willson's *THE MUSIC MAN*.

Fans display mixed emotions at Andrean's first homecoming game against Merrillville.

In Andrean's second year of varsity football, each game was faced with the skill, vigor, and enthusiasm that left us with a 7-3 season. During one winning streak that spanned two seasons, the Fighting 59ers gained nine consecutive victories. Two of our seven victories were over Froebel and Merrillville, while the teams that beat us were the outstanding Hobart, South Bend Central, and Calumet squads.

Varsity Cheerleaders

J. Janjecic, M. Guerre, B. Lazzaro, J. Glover, B. Wiedemann.

Following the teams through victory and defeat, the cheerleaders raised the school spirit to an all time high. It was evident in the girls' coordination and unparalleled technique that many hours had been spent in practice and hard work. Under the supervision of Mrs. Rogovich, the girls developed within themselves the skills for arousing the spirit that has made our school outstanding in athletic events. Not only was the varsity represented, but the reserve and freshman cheerleaders also led their teams on to victory.

Varsity Basketball

Despite their lack of height and comparative inexperience, the basketball team produced a surprisingly good record of 10-10.

Our team placed third in our own holiday tourney, avenging their defeat by trouncing River Forest later in the season.

The first part of the season was marked by a string of losses, but the 59ers proved themselves by displaying impressive victories against Muskegon, Michigan City St. Mary's, and DeMotte in the second half of the schedule.

Highlighting the Michigan City St. Mary's game, Dan Pszonka set the Andrean gym scoring record by chalking up 34 points. Combining enthusiasm with skill, the fighting 59er basketball team met each game with the determination to win which made them a truly great squad.

The general aim of the intramural program is to attract sports lovers to a schedule of football and basketball which will appeal to everyone. It also provides an opportunity for all boys to participate in Andrean's sports, and enjoy the physical benefits of them.

OUR SUNDAY VISITOR, photographs

A special note of appreciation goes to our hardworking staff and typists for their time and effort; to Father Charles Smith, C.S.B., moderator, and Mr. John Povlock, C.S.B., his assistant, for their inspiration, patience, and guidance. All of these helped to make our yearbook what we hope will be a precedent for future DECUSSATA staffs.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to develop services to meet the needs of older people, and the need to ensure that the services that are developed are based on evidence of what works. The Department of Health (2000) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people, and to ensure that they are able to live independently and actively for as long as possible.

The strategy is based on three main principles: (1) to ensure that older people are able to live independently and actively for as long as possible; (2) to ensure that older people are able to participate in the decisions that affect their lives; and (3) to ensure that older people are able to live in the communities in which they wish to live. The strategy also sets out a number of specific objectives, which are to be achieved by the year 2010.

The strategy is a key document in the development of services for older people, and it is essential that all those who are involved in the development of such services are aware of its contents. The strategy is a living document, and it is likely that it will be updated as more evidence becomes available about what works.
